

Health Plan of Nevada

2015 Quality Improvement Workplan

for Medicare Members

Health Plan of Nevada prepares a workplan each year that shows the quality projects that are in place. Health Plan of Nevada's *2015 Quality Improvement Workplan* spotlights projects that help maintain the quality of health care and services for health plan members.

Key Focus Areas in the 2015 *Quality Improvement Workplan*:

- Adult Health
- Women's Health
- Management of Chronic Conditions
- Behavioral Health
- Member Satisfaction
- Patient Safety
- Case Management

Please contact Health Plan of Nevada's Quality Improvement Department for any questions about the current quality projects at 702-242-7735.

Health Plan of Nevada 2015 Quality Improvement Workplan
